Response to Amendment

1. The proposed amendment incorporates the limitations of claim 38 into independent claim 1 and incorporates the limitations of claim 12 into independent claim 8. This amendment changes the scope of the claims that depend on independent claims 1 and 8. Therefore, the amendment raises new issues that would require further search and/or consideration. In addition, the amendment also amends claims 2 and 16 which would also require further search and/or consideration. Finally, new claims 41-49 have been added without cancelling a corresponding number of finally rejected claims.
